NEOTHETICS ANNOUNCES ADJOURNMENT OF SPECIAL STOCKHOLDERS MEETING TO SOLICIT ADDITIONAL VOTES FOR MERGER WITH EVOFEM

SAN DIEGO – January 5, 2018 – Neothetics, Inc. (NASDAQ: NEOT) today announced that the Special Meeting of Stockholders held earlier today was convened and adjourned without any business being conducted other than the adjournment. The meeting will reconvene on Wednesday, January 17, 2018 at 8:00 a.m., local time, at the same location, 4365 Executive Drive, Suite 1100, San Diego, CA 92121. The record date for stockholders entitled to vote at the special meeting will remain December 13, 2017.

The adjournment will allow for the solicitation of additional votes on the proposals contained in Neothetics' proxy statement/prospectus/information statement. While the merger with Evofem Biosciences, the reverse split, the name change, the opt out of Section 203 of the Delaware General Corporation Law and the issuance of the shares in the concurrent financing are all exceeding 98% approval based on votes cast to date, approval of more than 50% of all outstanding shares of Neothetics common stock is necessary to obtain a quorum and for the merger to go forward. At the meeting, it was deemed that the holders of a sufficient number of the Neothetics' outstanding common stock have not yet submitted proxies to indicate how their shares should be voted and additional time was needed to collect the required votes.

During the period of the adjournment, Neothetics will continue to solicit proxies from its stockholders of record as of December 13, 2017. Neothetics has retained a proxy solicitor, Kingsdale Shareholder Services, to increase the outreach to a larger number of stockholders. Stockholders who have already voted do not need to recast their votes.

Neothetics stockholders should note that the merger proposal (Proposal 1), the reverse stock split proposal (Proposal 2), the name change proposal (Proposal 3), the Section 203 opt out proposal (Proposal 4) and the financing proposal (Proposal 5) must all be approved for the merger to be completed. If any of those proposals is not approved, the merger will not go forward. Failure to vote or an abstention from voting will have the same effect as a vote "AGAINST" the merger and related proposals. All stockholders are asked to vote "FOR" all proposals now. If you previously voted against any of these proposals and would now like to change your vote, you can do so by contacting Kingsdale Shareholder Service, Neothetics' transfer agent.

Forward Looking Statements

Neothetics cautions you that statements in this press release that are not a description of historical fact are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words referencing future events or circumstances such as "expect," "intend," "plan," "anticipate," "believe," and "will," among others. Such statements include, but are not limited to, statements regarding the structure, timing and completion of the proposed merger; expectations regarding adjournment and reconvening of the Neothetics special meeting of stockholders and stockholder approval of the meeting proposals; expectations regarding listing and trading of Neothetics' common stock on the Nasdaq Capital Market and of the combined organization's common stock on the Nasdaq Capital Market; the capitalization, resources, ownership structure of the combined organization; the nature, strategy and focus of the combined organization; the safety, efficacy and projected development timeline and commercial potential of any product candidates; the executive officer and board structure of the combined organization; and the expectations regarding voting by Neothetics stockholders. Neothetics and/or Evofem may not actually achieve the proposed merger, or any plans or product development goals in a timely manner, if at all, or otherwise carry out the intentions or meet the expectations or projections disclosed in the forward-looking statements, and you should not place undue reliance on these forward-looking statements. Because such statements are subject to risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. These forward-looking statements are based upon current expectations and involve assumptions that may never materialize or may prove to be incorrect. Actual results and the timing of events could differ materially from those anticipated in such forward-looking statements as a result of various risks and uncertainties, which include, without limitation, risks and uncertainties associated with stockholder approval of and the ability to

consummate the proposed merger through the process being conducted by Neothetics and Evofem, the ability to project future cash utilization and reserves needed for contingent future liabilities and business operations, the availability of sufficient resources for combined company operations and to conduct or continue planned clinical development programs, the timing and ability of Neothetics or Evofem to raise additional equity capital to fund continued operations; the ability to successfully develop any of Neothetics' and/or Evofem's product candidates, and the risks associated with the process of developing, obtaining regulatory approval for and commercializing drug candidates that are safe and effective for use as human therapeutics. Risks and uncertainties facing Neothetics, Evofem and the combined organization and risks related to the proposed merger are described more fully in the proxy statement/prospectus/information statement referred to above. You are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date on which they were made.
